Dear Sir:

This is in Response to the Office Action dated June 27, 2006 in the above-referenced U.S. application. Claims 13-21 are currently pending in the application and have been rejected under a non-statutory double patenting rejection based on U.S. Patent No. 6,401,150. In response, a Terminal Disclaimer in compliance with 37 C.F.R. § 1.321(c) or 1.321(d) is submitted herewith and should serve to traverse the rejections. As a result, the Applicant believes the application is in condition for allowance.

Dated:

8/15/06

Respectfully submitted,

Dennis M. Carleton
